

## **WLLA BOARD OF DIRECTORS - IMPORTANT NOTICE**

With the passing of our prior President / Treasurer, Art Politano, the WLLA Board of Directors is in the process of transition. The Executive Board of WLLA has been almost completely restructured. As part of that restructuring, and in the interest of being financially transparent, as the new WLLA Treasurer, I have received Board approval to form a Finance Committee to assist with the ongoing financial matters facing the WLLA community.

As such, I am looking for individuals interested in getting involved and having the desire to support the efforts to maintain a financially secure, self-sufficient, and transparent Association. There will be no set number of meetings – we will meet on an “*as needed*” basis. The pay will be free donuts at each meeting – that’s more than what the Treasurer himself earns, since I will have to buy the donuts. Fringe benefits also included: free coffee to go with the donuts.

All kidding aside, if you have an interest in assisting your community by helping out with various clerical / accounting functions (nothing technical), please respond to this request. Having a financial background might be helpful, but not required. The only requirements are your ability to read, write and add, and your desire to help. Having some fun and meeting some of your neighbors in the process is an added incentive. The timing is “as soon as possible”.

If interested, please forward your name to Ron Lisciandrello at [LISCIRON@GMAIL.COM](mailto:LISCIRON@GMAIL.COM) along with a brief introduction and description of yourself. Looking forward to your responses, and even more so, to meeting you all. Thank you.

*Ron Lisciandrello*  
WLLA Treasurer
