

ECHOES FROM OUR LAKE
THE NEWSLETTER OF THE WALKER LAKESHORES
LANDOWNERS ASSOCIATION
NOVEMBER 2017
VOLUME 138

MESSAGE FROM THE PRESIDENT

Dear Members of Walker Lakeshores Landowners Association:

Let me start by wishing you all the very best for safe travel and fond memories this Thanksgiving.

There has been a lot going on in the aftermath of Art's passing and we have been striving to make sure the interests of the Association are being well served and that the amenities and services you expect are provided.

For those of you who are interested, there is a meeting this Saturday (Nov 18, 2017) at the club house beginning at 10:00 AM and you are invited to attend. The purpose is to update members with what is going on with regard to the finances of Walker Lake in light of the ongoing audit by the independent CPA firm, and what steps your Board is taking to ensure transparent and accountable operation of the Association.

In that regard, we will be seeking volunteers for various committees and ask people to consider running for the Board. In recent years, a small handful of people have borne the full burden of managing the Association and help is needed to share that load and bring in new perspectives and ideas.

We are looking forward to a bright future for the Association and delivering the very best to the members.

Sincerely,

Fran Orth
President

Call for Members on the Finance Committee

The following went out earlier but this is a great time to make a second request for people to lend a hand on the finance committee.

WLLA BOARD OF DIRECTORS - IMPORTANT NOTICE

With the passing of our prior President / Treasurer, the WLLA Board of Directors is in the process of transition. The Executive Board of WLLA has been almost completely restructured. As part of that restructuring, and in the interest of being financially transparent, as the new WLLA Treasurer, I have received Board approval to form a Finance Committee to assist with the ongoing financial matters facing the WLLA community.

As such, I am looking for individuals interested in getting involved and having the desire to support the efforts to maintain a financially secure, self-sufficient, and transparent Association. There will be no set number of meetings – we will meet on an “*as needed*” basis. The pay will be free donuts at each meeting – that’s more than what the Treasurer himself earns, since I will have to buy the donuts. Fringe benefits also included: free coffee to go with the donuts.

All kidding aside, if you have an interest in assisting your community by helping out with various clerical / accounting functions (nothing technical), please respond to this request. Having a financial background might be helpful, but not required. The only requirements are your ability to read, write and add, and your desire to help. Having some fun and meeting some of your neighbors in the process is an added incentive. The timing is “as soon as possible”.

If interested, please forward your name to Ron Lisciandrello at LISCIRON@GMAIL.COM along with a brief introduction and description of yourself. Looking forward to your responses, and even more so, to meeting you all. Thank you.

Ron Lisciandrello
WLLA Treasurer

Seasonal Reminders

The cold weather is here and we’d like to remind everyone of particular rules and regulations that are especially important this time of year. All these are printed in the Red Book. If you need a copy, please stop by the Office.

1. No hunting within the confines of the Association.
2. No snowmobiles or quads may be driven on Association property.
3. Boats that have been stored at the beach need to be moved for the winter. They can be returned in the spring.
4. On days when roads are plowed, please keep your trash cans back from the road so they are not damaged and do not clear your driveway into the roadway.
5. If you are plowed out for any reason, please contact the office.
