

**WLLA Road Committee Report
February 17, 2024**

No Actionable Items

Winter Operations

Winter Materials

- We had received the load of salt that was approved at the January 2024 meeting.
- We have not yet ordered the two loads of anti-skid that were approved and will not unless we need to order.

Gravel Roads

- Roads will be inspected in April for yearly maintenance.

Asphalt Roads

- Some potholes forming but nothing seen as major yet

Road Budget 2024

- The regular Road Committee meeting for February to start mapping out a tentative plan for road repairs and some drainage improvements this Spring had to be rescheduled. Will be meeting in March.
