

## PROGRAM COMMITTEE REPORT – October 2024

Valerie Mitchell, Program Chair

**Potluck Dinner** on September 21<sup>st</sup> had an Italian theme – everyone made or brought a nice variety of foods celebrating the theme and we had an Italian trivia event as well.

Oktoberfest – is tonight October 19<sup>th</sup> at 6:00 PM. Hoping for an array of German specialties and Kurt Boogertman will be providing the Corn Hole for ongoing use throughout the evening. Would like to determine if there is interest in an indoor league so may need another quick response from the community (via survey).

November—Saturday, November 16<sup>th</sup> with Friendsgiving/Thanksgiving focus.

December – Friday, December 6<sup>th</sup> for the Holiday party

Potlucks in January and February will be run by Andrea Rhiel with dates to be announced.

A community member Robert Kutchma has offered to teach a fish lure making class; we are working on materials needed/costs and a date for the program.

**Yoga** – will resume next year late spring/early summer.

**Pickleball** -We will continue with this until weather dictates the end of the season. Doug and I met to discuss the hollow areas under the court, most likely caused by water separating the asphalt from the surface and causing areas to lift and crack due to frost. We may reach out to local paving companies to determine costs to remove fence, take up current court and repave taking into consideration the ground water level.

**Book Club**, - We had a brief intro meeting, selected a book The Women by Kristen Hannah and a date to meet at my house which is Friday, November 1<sup>st</sup> 7:00 PM.
