

PROGRAM COMMITTEE REPORT – JULY 2024

Valerie Mitchell, Program Chair

The (hopefully) **First Annual Walker Lake Regatta** took place last Saturday July 13th. We began with beach yoga (17 attendees), followed by adult kayak race (only one junior so no race but he still got a prize) with 5 participants. After a slow response, we eventually had 4 participants for the Boat Parade which seemed to draw a lot of positive reactions from those who were on the shoreline at various locations. Our pig roast barbecue had a total of about 81 people that showed up so close to 100% of the anticipated headcount. We sold more than half the hats and still have about 8-10 for sale. Tremendous thanks to all the volunteers including Jackie Kaiser/Wendy and Herb Orlansky/Ralph Cozzolino/Tom Crenny/Alla Piltser/Cliff Mitchell/Lorna Carroll/Andrea and Ray Rhiel (signs)/Margi Booth (hats)/Roger Muschlitz/ Brian Reynolds/Ed and Vicky Vingoe (the chefs)/ Deanna Storey/Barbara Silver. And last but not least, Kathy Zimmerman who tirelessly kept up with the RSVP's, sending emails, and keeping me on task.
